

Trek Parts

Trek Parts - TREK Cleaning Machines is a maker of cleaning machinery. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have over 60 years of experience effectively designing, developing, marketing, manufacturing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They strongly believe in delivering true value to their clients and are devoted to providing new design concepts and top quality so as to meet the diverse requirements of their clients.

TREK Cleaning Machines always offers fresh design ideas as shown in their product development. They enjoy offering items which energize both their partners and their dealers and offer production gains to their customers.

The team at TREK likes handling new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' skills and needs together with their understanding of cleaning applications, together with owners' strong desire to considerably lower cost through productivity gains.

The employees at TREK and their dealer-partners are really devoted to having both technical support and parts available when it is required. Their high service dedication is one of the core values in their customer service. Keeping their customers' cleaning machines working and ready daily is top priority. The company's top of the line technology delivers dependable machinery which eventually lowers your cleaning expense. The product, the price and the service all work together to make them the leader in the trade.
