

Ingersoll Rand Forklift Parts

Ingersoll Rand Forklift Parts - Providing products, solutions and services to be able to ensure efficiency and to increase the productivity within industrial, commercial and residential surroundings, Ingersoll Rand is very proud provider of products which help enhance the security, health, safety and comfort of people all over the globe.

From their Climate Solutions division comes a product line of energy efficient HVACR solutions. The Thermo King is the leading transport temperature control, while Hussman manufactures refrigeration and food merchandising solutions. Trane is a trusted provider of energy efficient air conditioning and heating ventilation systems, contracting and building services, parts support and advanced controls utilized for both commercial buildings and residential homes.

The Industrial Technologies sector of Ingersoll Rand provides solutions and products to enhance productivity, operations and energy efficiency for their clients. The series of products in their line consist of: pumps and tools, and material fluid handling systems to complete compressed air systems. They have also developed Club Car, the global leader in golf and utility vehicles for companies and individuals.

Well-known brand names like Trane and Schlage compromise the Residential Solutions business, delivering comfort, safety and efficiency to home owners all over North America. Some of their innovative quality products include electronic and mechanical locks, indoor air quality solutions, air conditioning and heating systems, remote home management, portable security systems and advanced controls.

The division comprising Security Technologies offers products which ensure secure, safe and productive environments. This division's market leading products include door and floor closers, portable security devices, exit devices, electronic and biometric access control systems, cabinet hardware, steel locks, doors and frames, locksets and decorative hardware. Popular trade names such as Schlage even offer time, attendance and personal scheduling systems.
